

Tuition and Fee FAQ

In-Service Master's Program

Q1: Do I still have to pay the credit fee for courses that are not acknowledged by the program?

A1: Per general student policy, courses that are not acknowledged by the program still require a credit fee. Courses are acknowledged by each program.

Q2: Do I have to pay the credit fee?

A2: The payment methods and fees are different for each program. Please contact each program for further information.

Q3: How can I apply for an extension for my tuition or credit fee payment?

A3: Please check if there is a balance for any tuition fee, miscellaneous fee, or credit fee on your bill. If there is a fee, please download the NTHU Extension Tuition Fee and Miscellaneous Fee application online, and apply according to the steps provided.
